

CATHOLIC CHURCH, SHORTSVILLE, N.Y.

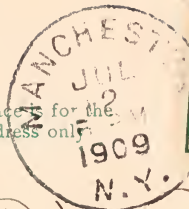

John I took me to a clar. &
 last night had fine time
 I don't suppose you will have time to
 read this. Lovey.

The letter I wrote
was not long for I
just came that
after-noon. but if
you have nothing
to say only on a
postal a postal is
all you will receive
from me I should
think you could
find time for a letter
instead of what you sent
